EuPEO's Mission

The [EuPEO project](#) will inform the platform of future European Physical Education Observatory, bridging the gaps between guidelines, concepts for monitoring and evaluation, between sport, health and education sectors, and different sets of indicators, to encourage a quality Physical Education, School Sport and other forms of promotion of School Physical Activity in the european region.

Aims

The [EuPEO project](#) aims to convert former monitoring and evaluation experiences of PE, HEPA, public health and education sector into a comprehensive but applicable monitoring system by developing the EuPEO webpage, a [manual for external monitoring \(MEA\)](#) and a [toolkit](#) to prepare and provide [internal self-monitoring \(TIM\)](#) of quality Physical Education and School Sport.
